

GEOGRAPHIC INFORMATION SYSTEM TECHNICIAN, EXAM NO. 12-018

**SUPPLEMENTAL APPLICATION**

Please answer each of the following questions completely and submit this page with your City employment application. The information you provide will be used to evaluate your qualifications for the position of GIS Technician and will be the basis for determining which candidates will continue in the selection process. **It is your responsibility to make sure your answers are clearly and legibly presented. Also, this form must be returned with your original signature and your responses.**

**Name:** \_\_\_\_\_ **Date:** \_\_\_\_\_

Please provide your responses to the following questions. **Your answers for all 3 questions should not exceed one (1) page total. Your map should be one (1) additional page on letter size hardcopy; shrink to fit, if necessary.**

1. Provide one recent GIS map for which you were solely responsible and describe the following:
  - a. Purpose of the map
  - b. Audience for the map
  - c. Data sources used
  - d. Methodology and/or tools used to create the map
2. Describe your knowledge and experience in working with GIS data files.
3. Describe your knowledge and experience in using tabular information (e.g. Microsoft Excel) to make maps in ArcGIS.

I affirm with my signature below that my responses to the above questions on the attached pages are true and correct to the best of my knowledge. I understand that falsified information, or failure to attach this Supplemental Application and response with my City Employment Application, will be cause for disqualification.
